# 2018 HOUSING AUTHORITY BUDGET MESSAGE & ANALYSIS

## Wildwood Housing Authority

### AUTHORITY BUDGET

Fiscal Year From April 1, 2018 to March 31, 2019

*Answer all questions below. Attach additional pages and schedules as needed.*

1. Complete a brief statement on the 2018/2018-2019 proposed Annual Budget and make comparison to the 2017/2017-2018 adopted budget for each operation. Explain any variances over +/-10% (As shown on budget page F-4 explain the reason for changes for each appropriation changing more than 10%) for each line item by operation. Explanations of variances should include a description of the reason for the increase/decrease in the budgeted line item, not just an indication of the amount and percent of the change. Attach any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item. For example, if anticipated service charges have increased 15% due to an increase in rates, provide documentation of how the increase occurred (Example Rate Increase authorized by resolution or by HUD).

*Budgeted revenues are anticipated to be adequate to cover projected expenses for the budget year ended March 31, 2019, resulting in a moderate budget surplus from operations of \$25,757. Anticipated revenues total \$1,484,631; an increase of \$37,188 (2.6%) as compared to the prior year. Total appropriations budgeted for the fiscal year ended March 31, 2019 are \$1,458,874; an increase of \$17,702 (1.2%) versus the prior year.*

*Significant changes in budgeted revenues (variances of +/- 10%) are as follows:*

*There are no revenue categories in the current year budget that have a variance of +/-10% from the prior year budget.*

*Significant changes in budgeted revenues (variances of +/- 10%) are as follows:*

*Budgeted maintenance salaries and wages are \$15,828 (12.9%) lower than the prior year budget as the Authority has one less full time employee when compared to last year. The Authority has included overtime in the maintenance salaries to partially accommodate this decrease in full time employees. The Authority has also budgeted for part time maintenance help and has not yet determined if this employee will be replaced by another full -time individual.*

2. Complete a brief statement on the impact the proposed Annual Budget will have on Anticipated Revenues, especially service charges and on the general purpose/component unit financial statements. Explain significant increases or decreases, if any. An increase or decrease is considered significant if it is over +/-10% (As shown on budget page F-2 explain reason for change for each revenue changing more than 10%) from the current year adopted budget.

*The proposed annual budget will have no significant impact on rents or service fees charged. Rental income is set by federal regulations at 30% of adjusted tenant income. As previously discussed, other increased or decreases in budget revenue are primarily a result in changes in HUD's level of subsidy funding. As a result, the proposed budget will not significantly impact the housing authority's financial statements.*

3. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital Budget/Program.

*The local / regional economy is weak, but stable. The effects of the economy have been considered in projecting tenant income and resulting rental income and housing assistance payments expense in the public housing and housing choice voucher programs. Thus, the state of the local / regional economy does not have a significant impact on the proposed budget.*

4. Describe the reasons for utilizing Unrestricted Net Position in the proposed Annual Budget, i.e. rate stabilization, debt service reduction, to balance the budget, etc. If the Authority's budget anticipates a use of Unrestricted Net Position, this question must be answered.

*N/A*

5. Identify any sources of funds transferred to the County/Municipality as a budget subsidy or a shared service and explain the reason for the transfer (i.e.: to balance the County/Municipality budget, etc.).

*Under federal, state, and local law, the Authority's programs are exempt from income, property and excise taxes. However, the Authority is required to make payments in lieu of taxes (PILOT) for the low-income housing program in accordance with the provision of its Cooperation Agreement with the City of Wildwood. Under the Cooperation Agreement, the Authority must pay the municipality the lesser of 10% of its net shelter rent or the approximate full real property taxes.*

6. The proposed budget must not reflect an anticipated deficit from 2018/2018-2019 operations. If there exists an accumulated deficit from prior years' budgets (and funding is included in the proposed budget as a result of a prior deficit) explain the funding plan to eliminate said deficit (N.J.S.A. 40A:5A-12). If the Authority has a net deficit reported in its most recent audit, it must provide a deficit reduction plan in response to this question. (Prepare a response to deficits caused by the implementation of GASB 68)

*This authority does not have an accumulated deficit per the most recent audited financial statements and does not anticipate a deficit in the proposed budget. The \$281,247 deficit in unrestricted net position (after removing net investment in capital assets and restricted net position from total net position) on page F-8 is the direct result of GASB 45 OPEB and GASB 68 pension liabilities. The Authority would require additional funding from HUD or a new revenue stream to eliminate this deficit.*

# 2018 CAPITAL BUDGET/PROGRAM MESSAGE

## Wildwood Housing Authority

Fiscal Year From April 1, 2017 to March 31, 2018

This section is included in the Capital Budget pursuant to N.J.A.C. 5:31-2. It does not in itself confer any authorization to raise or expend funds. Rather, it is a document used as part of the Housing Authority's planning and management system. Specific authorization to spend funds for purposes described in this section must be granted elsewhere, by a separate financing agreement, security agreement, by resolution appropriating funds from the Renewal and Replacement Reserve, or other lawful means.

1. Has the Capital Budget/Program been prepared in consultation with or reviewed by, the local and county planning board(s), governing body(ies), or other affected governmental entity(ies) of the jurisdiction(s) served by the Housing Authority? *Yes – reviewed and approved by municipal government and residents of the developments affected.*
2. Has each capital project/project financing been developed from a specific plan or report and have the full life cycle costs of each been calculated? *Yes. The capital projects have been developed in conjunction with the Authority's Capital Fund Program, a comprehensive program considering the capital needs of all its projects.*
3. Has the Housing Authority prepared a long-term (10-20 years) infrastructure needs assessment? *In accordance with HUD requirements, the Authority has prepared a 5 year capital plan and performed a physical needs assessment.*
4. Are any of the capital projects/project financings being undertaken in a community that has a State Plan designated center? If so, please describe the relationship of same to the center's goals and objectives. *N/A*
5. Describe the impact on the schedule of rents and/or user charges if the proposed capital projects are undertaken. Indicate the impact on current and future year's schedules. *As previously noted, rental income is governed by federal regulations and is equal to 30% of adjusted tenant income. Since the local economy is fairly stable, it is not anticipated that tenant incomes and resultant rents will differ significantly from the prior period. All planned capital projects are funded by HUD's capital fund program and will not be affected by fluctuations in rental income. The proposed capital projects are considered necessary to maintain the dwelling rents at budgeted levels.*
6. Have the projects been reviewed and approved by HUD? *Yes, all capital fund budgets have been approved by HUD.*

*Add additional sheets if necessary.*
